

Thank you to all that participated in the 2009 Ride to Work Day (cyclists, non-cyclists and volunteers)

The day started very ominous for those riders who chose to brave the elements (rain, rain and more rain) and rode to work.

Over 106 egg and bacon rolls and 13 serves of hash browns had been pre-ordered over 3 time slots

An alternative outside cooking area was set up to keep the cooks out of the wet weather.

Preparation and serving area was set up in the canteen, and a little NYS process was applied to ensure that the egg and bacon rolls and hash browns were ready to be served on time.

Total Quantities Consumed :
(in a very short amount of time)

- 135 bread rolls**
- 132 eggs**
- 8 kg bacon**
- 34 hash browns**
- & tomato sauce**

Money Raised for Samoan Tsunami Appeal :

\$435 + \$100

(extra orders of egg & bacon rolls)

Thank you to all the volunteers who helped make this day successful and to those who were in the wings in case extra assistance was need: Sean, Stephen, Crishan, Bjoern, Geoff, Geoff, Irene, Sumana, Meredith, Kim, Gabby, Heather, Heather, Lorna
